Vendors bear the responsibility for all set-up and security needs. Neither the ESCoC, its representatives, the committee nor the City of Daphne will be responsible for loss or damage of any kind.

All vendors must comply with the City of Daphne safety and fire prevention codes, and have appropriate fire extinguishers.

All food vendors must provide proof of insurance when submitting the application.

In Show Vendors

Vendors selling commercially pre-packaged foods and canned beverages will be placed within the Festival, among the exhibitors. A health food permit is not required for these vendors.

There will be no refunds for accepted food vendors for any reason.

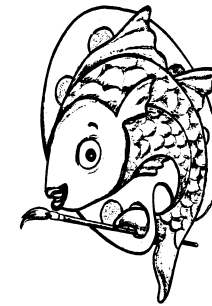

History

The Eastern Shore Chamber of Commerce is pleased to present the 21st Annual Jubilee Festival in Daphne, Alabama. This two-day Festival is produced by the same organization that created the Annual Arts and Crafts Festival in Fairhope, always held the third weekend in March.

The Jubilee Festival provides a unique opportunity for visitors to purchase items from artisans and craftsmen. Visitors are drawn to "Olde Towne" Daphne's small-town quaintness and southern hospitality. The Festival provides a wonderful opportunity to showcase Daphne, the Eastern Shore and Baldwin County.

In addition to the fine artists and crafters, the Festival also features KidsArt which is designed to give children hours of art, entertainment and activities. This truly is a Festival for all ages.

The food court will offer a tempting array of food and beverages throughout the weekend. However, spaces are limited. Please read all of the instructions carefully and complete the application fully. The deadline for food vendor applications is July 17, 2009.
